

# XROZZ SIGNBAR

From space partitioning with its sound absorbing properties to organisation of the workplace, the Boom Interior system skillfully meets the planning needs of modern offices. The organisation rail provide flexibility in function and price, from basic to all-inclusive. In addition, elements can be added to offer complete creative freedom. Signbar is functional with its acoustic efficiency, visual screening and added storage options. Tailored to your needs with a system of organisation and elements that can be individually planned. Maximum load is 25 kilogram.
