

THE BUCKET

The Bucket from Boom Interior is a stackable stool that is easy to pick up when an extra seat is needed. We supply The Bucket in several different colors and fabrics. The great variety in materials and color makes it possible to build an environment that stimulates creativity. The handles are available in silver, black and white. It is possible to stack 5-7 stools on top of each other.

Complete with The Bucket Wagon, a flexible trolley for easy movement of several stools - and with our new double trolley you can move 10-14 stools at once.
