

XROZZ Plexi FloorScreen

Xrozz Plexi Floorscreen is ideal for dividing up offices or Restaurants: The freely configurable elements create working areas with a pleasant atmosphere and transmission noise levels whilst, at the same time, preserving eye contact and the exchange of information. Our Plexi floorscreen creates islands of calm away from the hustle and bustle of office or restaurant life. This type of acoustic shielding is ideal for facilitating concentrated work, confidential conversations and for pleasant and quiet private spaces in large rooms. Xrozz Plexi screen consists of a class A transmission mounted within a solid plexi screen.

Specified dimensions in millimeter (width x height)

1500 x 670mm or on special request

Cleaning:

3M™ Surface Disinfectant Cleaner (see separated cleaning schedule)
